***Event Check Out Procedures**

Patterson had many event during the month of December and we appreciate your patience with our new check in/out procedures. We now have an online reservation system that allows us to expedite check-in to events. Parents gave us feedback that the lines to events were too long. We hope you now find it easy to join us for our celebrations of learning.

***Fundraising**

Patterson continues to grow in population. We are currently at 950 students. Our fundraising efforts this semester both PTO and School-wide will focus on classroom libraries and outside recess/physical education equipment. We hope to get everyone's participation in our Spring Adventure Dash Schedule for the week before Spring Break, on March 7. Every dollar counts and will help us build both academic and healthy habits.
