**Class Libraries**

We want to thank our PTO for their fundraising efforts this Fall. With their generous donation we were able to buy books to add to our Classroom Libraries. Thanks for all parents that partook in the Fundraising activities.

**Curriculum Night**

Each grade level is offering a curriculum night. These nights explain current expectations of your child for the second semester. It is important to attend to see how you can best help your child reach their goals this year.

**School Calendar**

The Conroe ISD School Board approved the 2019-2020 school calendar at their January Board Meeting. Please go to the ConroeISD main page to access the calendar. <http://www.conroeisd.net/wp-content/uploads/2016/11/2019-2020-Calendar.pdf>

- Read for a Better Life: Kinder through second grade classes are working on Reader Powers. Pointer power helps students read one word at a time and increases their fluency and speed. You can help us by asking students about their Reader Super Powers.

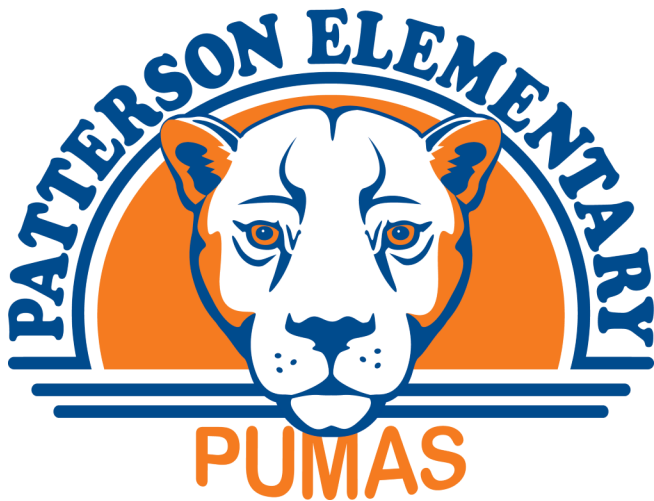

Thank You, PTO and everyone that has helped with Fundraising this year. We love our NEW BOOKS!
